EASTER SUNDAY
Acts 10:34, 37-43
ALL IS NEW

“What’s new?” That is what we ask when we want to hear a story. Stories celebrate the great moments of life. When you hear one, it fills you with delight. When you tell one, you fulfill an inner desire to share what has shaped your life anew.

After Jesus rose from the dead, the disciples did not wait for people to ask, “What’s new?” They proudly proclaimed it: “God raised Jesus on the third day and granted that he be visible to us witnesses.” Now, that is new!

If you have kept a good Lent, you know very well what is new with you. You are what is new! You have faced your sin, admitted your fault, and accepted your dependence upon God’s help. You have prayed and fasted with the community. You have loved your neighbor. Because you have emptied a place inside yourself, you created a space for God’s Spirit to enter. Christ is risen indeed, and he has appeared to you! You are now a witness of all that God can do.

This Easter Day, tell your story. Tell your faith. Let joy radiate from your face and loosen your tongue! Jesus lives!

EASTER SUNDAY

Did You Know?

Easter is the celebration of Christ's resurrection from the dead. It is celebrated on Sunday, and marks the end of Holy Week, the end of Lent, the last day of the Easter Triduum (Holy Thursday, Good Friday and Easter Sunday), and is the beginning of the Easter season of the liturgical year.

As we know from the Gospels, Jesus Christ rose from the dead on the third day following his crucifixion, which would be Sunday. His resurrection marks the triumph of good over evil, sin and death. It is the singular event which proves that those who trust in God and accept Christ will be raised from the dead.

Since Easter represents the fulfillment of God's promises to mankind, it is the most important holiday on the Christian calendar.

In the Gospels, the precise details of the Easter narrative vary slightly, but none of these variances are critical to the main story. In fact, it is argued that the variances are simply matters of style and not substance. Despite the variances, the key aspects of the Easter story all match. Above all, they agree that the tomb of Christ was indeed empty, which is the most essential fact.

Based on direct evidence from the mid-second century, it is believed that Easter was regularly celebrated from the earliest days of the Church.

The Easter date is movable and always falls on a Sunday between March 22 and April 25. Easter in the Roman Catholic Church is always on the first Sunday after the first full moon after the spring equinox.

Following Easter Sunday, the season of Easter begins and lasts for seven weeks, ending with Pentecost.
